**Due to a significant increase in family camp attendance over the past few years, we are implementing a change in the registration process for family camp. Family campers may complete registration forms and submit with a \$200 deposit for Family Camp 2018 up until December 31, 2017. That early bird deposit will entitle them to 2017 family camp pricing and a \$40 store credit. Families will be required to make a non-refundable installment payment of 50% of their remaining balance toward their 2018 family camp fees by May 1st in order to maintain their housing priority. Changes and additional registrations will be accepted after May 1 as space allows. We appreciate your understanding as we implement this new system. We hope it will allow us to have a better understanding of what housing will be available at an earlier point in the year in order to accommodate all families who wish to participate.*
