Lodging Information:

Please use the spaces below to provide us with information that will help us assign you to housing near your friends with whom you would like to reunite and whose "reuniting style" will match yours. We will do our best to honor housing requests and needs but cannot guarantee that we will be able to do so within the confines of the housing we have available. Please don't let concerns about housing stop you from attending. Let us know what you need in the housing request section below or contact us in the office and we can talk about ways to make you comfortable.

Lodging is camp style which may include sharing cabins with individuals outside of your family/group (depending on attendance). For most attendees this will include housing in a separate building from the bathroom. Assignments will be made on a first come first served basis with consideration of "reuniting style". ** **Please have all requests in by July 15, 2019.

Please list anyone with whom you would like to SHARE a cabin/room:

Please list anyone who you would like to be NEAR:

Please select a "Reuniting Style" that matches your plans for the weekend:

- I like to go to bed early and wake up early. The only noise I appreciate at night comes from nature.
- I will be bringing children and want to make sure any "adult behavior" won't be near my kids. I want the weekend's events to be appropriate for Abnaki/Woodlands campers.
- Whether I have kids or not, I plan to enjoy the company of my fellow alums into the wee hours of the morning - the early risers will see me on my way to bed!

ALUMNI REUNION REGISTRATION INFO (CONT'D):

Camp For All - Our YMCA understands everyone has different abilities to pay for camp events. We are committed to making Hi-Rock programs available to all. We have adopted a 4-tier pricing program for the reunion. Please consider the tier descriptions below and choose the tier that is most suitable for you. No proof of financial need is required for tiers 1 - 3. Your selection is confidential and will not affect your experience at camp in any way.

Tier 1 - Most accurately reflects the true cost of camp events including, but not limited to, general overhead, equipment and facility maintenance, capital improvements and staffing.

Tier 2 - Reflects the basic cost of attending camp including food, staff, program supplies and limited maintenance expenses.

Tier 3 - Is a more significantly subsidized rate for those who would not otherwise be able to attend camp.

Tier 4 - Is offered to families with demonstrated need who qualify for financial assistance through our Campership Program.

Registration Fees: The rates below include lodging, all meals for each day (meals available: Friday dinner - Monday Breakfast) and all activities except for water skiing which will be paid for at camp at \$15 per run. All registrations must include a \$75 deposit. Balance due by August 1, 2019. **Financial aid applications available upon request.**
