YMCA CAMP HI-ROCK BOLD GOLD 2019

Camp For All – Our YMCA understands families have different abilities to pay for summer camp. We are committed to making the life-changing experience of summer camp available to all. We have adopted a 4-tier pricing program for our summer overnight camp. Please consider the tier descriptions below and choose the tier that is most suitable for your family. No proof of financial need is required for tiers 1 – 3. Your selection is confidential and will not affect your child's experience at camp in any way.

Tier 1 - Most accurately reflects the true cost of backpacking including, but not limited to, staffing, equipment, equipment repair, medical kits, food and transportation costs. If you are able to pay this amount, please do so.

Tier 2 - Reflects the basic cost of attending camp including food, program supplies and limited equipment expenses. This partially subsidized rate is made possible through the efforts of our hardworking volunteers and loyal donors.

Tier 3 - Is a more significantly subsidized rate for families whose children would not otherwise be able to attend camp. It is always our desire to partner with parents in providing a camp experience.

Tier 4 - Is offered to campers with demonstrated need who qualify for financial assistance through our Strong Kids Campership Program.

Please note the following excerpts from the Parent Handbook and sign page 1 acknowledging you have read this information

The full Parent Handbook can be found on our website at <http://www.camphirock.org/resources.php>.

1. No camper will be admitted to camp without a completed Hi-Rock medical form documenting: a.) a physical examination conducted within one year prior to attendance at camp & signed by a physician; b.) a completed vaccination record showing current compliance with Massachusetts Public Health Code; and c.) a copy of health insurance information.
2. All camp balances are due by June 1. After the due date, fees are only refundable if camper is unable to attend for medical reasons verified in writing by a physician. **Camper's who leave due to homesickness or violation of the Camper Code of Conduct will not be given a refund.**
3. Financial assistance application forms are available upon request.
4. Changes to this form must be made in writing and submitted to the office, including session dates, transportation requests, emergency contacts, specialty activity sign ups, and cabin mate requests.
5. The camp administration will make every attempt to ensure that campers are placed in cabins with other children of the same grade and/or level of social and emotional development. Parents are welcome to contact us to provide any information that will be helpful to this effect. Campers should not expect to be placed in any particular unit since the overall distribution of ages varies each year and each session, depending on enrollment.

Health and Safety Policy Highlights

1. Daily medical care is provided by the medical staff in accordance with our standing orders from our consulting medical practice, Macony P.C. Our medical staff is available 24 hours a day. A sick call is available periodically throughout the day for mildly ill campers. First aid kits are kept in the program areas and the campers' living areas. They are also carried on hikes and overnight trips. The majority of first aid will be administered by the medical staff. The general staff will administer first aid when necessary. Individuals administering first aid are qualified in at least basic first aid. Staff members will call for assistance in any situation where procedure is unclear.
2. Medications of any kind, including over-the-counter medications and vitamins, can only be administered with a current and complete YMCA Camp Hi-Rock Medication Administration Release form, signed by both the parent/guardian and the prescribing physician. All medications will be locked in the camp infirmary. All administration of medication will take place under the direct supervision of camp medical staff. Should a medication be required to be kept on the camper's person, a physician must provide a written authorization for the medication to be with the camper at all times (usually in the case of albuterol or epinephrine). YMCA Camp Hi-Rock has standing orders to administer some typical over-the-counter medications as deemed necessary by our medical staff, including acetaminophen (Tylenol), Benadryl, milk of magnesia, oxygen, VoSol (ear drops), oral glucose, Chloraseptic, activated charcoal, and others as deemed necessary by our consulting physicians. Medications given per standing orders do not require a Medication Administration Release.
3. Emergency medical care is administered by the medical staff, and, if necessary, campers will be transported to a hospital or doctor's office for further treatment. In the case where the camp emergency vehicle is inadequate given the patient's needs, or in any other case deemed necessary by camp staff, the Emergency Medical System will be activated.
4. The camp must comply with the regulations of the State of Massachusetts Department of Public Health and be licensed by the local Board of Health.
5. Copies of our background check, complete health care and discipline policies and our procedures for filing grievances are available to parents upon request.
6. On BOLD GOLD trips, medical staff responsibilities will be filled by trips leaders who hold either Wilderness First Responder or a Wilderness First Aid certification.

BOLD & GOLD Backpacking Trip Information

Our BOLD & GOLD backpacking trips bring groups of young people out onto the Appalachian trail to explore new places, build relationships, and challenge themselves. These 5 day trips give young people the chance to be independent and build their confidence all while exploring the natural world. On a BOLD & GOLD backpacking trip, teens have a chance to disconnect from technology and connect with those around them as they learn what it means to be a leader.

BOLD & GOLD Canoeing Trip Information

Our BOLD & GOLD canoe program offers a wide range of outdoor adventure learning opportunities. This trip is a hybrid of backpacking, canoeing, and wilderness exploration along beautiful Northeast waterways. This five day trip will enhance campers' canoeing and leadership skills and the best part of it all is that they will be accompanied by other adventurers who will be on their team as they all explore the outdoors together. The canoe destinations are places that only a few people visit, making this experience truly unique.

BOLD & GOLD Advanced Backpacking Trip Information

Our co-ed advanced backpacking program is an exciting and more challenging ten-day trip that allows curious teens to develop and strengthen the many skills it takes to explore the beautiful world around them. This trip will allow campers to work as a team, discover new places, and make incredible friendships. This trip is an exceptional opportunity for teens to experience significant growth in their leadership and independence skills by having a closer relationship with nature and those around them!

Financial Assistance Application

Financial Assistance Applications are due April 1st. Applications received after April 1st will only be processed as time allows and may not qualify for assistance for the 2019 season.
