DAY CAMP 2011

Each day, the caring and creative Day Camp staff provide a safe and enriching program for 5 - 12 year olds on our beautiful mountain site! The fun begins at 9:00am and continues until 4:00pm. With field games, arts and crafts, swimming, and more, the summer will fly by. A constantly changing program and options for camper choice keep our Day Camp exciting, whether your camper comes for a week or for the entire summer. Campers 8 years and older have the opportunity to participate in some Resident Camp activities, and may attend an optional overnight every two weeks to add to the fun!

Please call ahead to make an appointment with one of our friendly tour guides.

Please note the following:

1. No camper will be admitted to camp without a completed HI-Rock medical form documenting: a.) a physical examination conducted within one year prior to attendance at camp & signed by a physician; b.) a completed vaccination record showing current compliance with Massachusetts Public Health Code; and c.) a copy of health insurance information.
2. All camp balances are due by May 1 (Day Camp fees due June 1). After the due date, fees are only refundable if camper is unable to attend for medical reasons verified in writing by a physician. **Camper's who leave due to homesickness or violation of the Camper Code of Conduct will not be given a refund.**
3. Financial assistance application fees are available upon request.
4. Changes to this form must be made in writing and submitted to the office, including session dates, transportation requests, emergency contacts, specialty activity sign ups, and cabin mate requests.
5. The camp administration will make every attempt to ensure that campers are placed in cabins with other children of the same grade and/or level of social and emotional development. Parents are welcome to contact us to provide any information that will be helpful to this effect. Campers should not expect to be placed in any particular Unit since the overall distribution of ages varies each year and each session, depending on enrollment.

Health and Safety Policy Highlights

1. Daily medical care is provided by the medical staff in accordance with our standing orders from our consulting medical practice, Macony P.C. Our medical staff is available 24 hours a day. A sick call is available periodically throughout the day for mildly ill campers. First aid kits are kept in the program areas and the campers' living areas. They are also carried on hikes and overnight trips. The majority of first aid will be administered by the medical staff. The general staff will administer first aid when necessary. Individuals administering first aid are qualified in at least basic first aid. Staff members will call for assistance in any situation where procedure is unclear.
2. Medications of any kind, including over-the-counter medications and vitamins, can only be administered with a current and complete YMCA Camp Hi-Rock Medication Administration Release form, signed by both the parent/guardian and the prescribing physician. All medications will be locked in the camp infirmary. All administration of medication will take place under the direct supervision of camp medical staff. Should a medication be required to be kept on the camper's person, a physician must provide a written authorization for the medication to be with the camper at all times (usually in the case of albuterol or epinephrine). YMCA Camp Hi-Rock has standing orders to administer some typical over-the-counter medications as deemed necessary by our medical staff, including acetaminophen (Tylenol), Benadryl, milk of magnesia, oxygen, VoSol (ear drops), oral glucose, Chloraseptic, activated charcoal, and others as deemed necessary by our consulting physicians.
3. Emergency medical care is administered by the medical staff, and, if necessary, campers will be transported to a hospital or doctor's office for further treatment. In the case where the camp emergency vehicle is inadequate given the patient's needs, or in any other case deemed necessary by camp staff, the Emergency Medical System will be activated.
4. The camp must comply with the regulations of the State of Massachusetts Department of Public Health and be licensed by the local Board of Health.
5. Copies of our background check, complete health care and discipline policies and our procedures for filing grievances are available to parents upon request.

Strong Kids Campaign:

At YMCA Camp Hi-Rock, we are able to offer a quality traditional camp experience at a reasonable price because of our annual support campaign. The money raised helps fund all youth programs offered at Camp Hi-Rock and bolsters our financial assistance fund. Please consider contributing to this effort to help maintain a strong camp for all children.

Leader In Training Program Program A: 6/26 – 7/23; Program B: 7/24 – 8/20

The LIT program is a four-week program for sixteen year-olds or teens entering their junior year of high school. Participants will develop leadership skills through a variety of activities with an emphasis on working with children. LITs attend workshops addressing topics including child development stages, positive leadership tactics, and the role of a camp counselor. LITs will practice their skills by working with campers under the supervision of camp staff. Placements will be made starting February 1. The fee for each four- week program is \$1,825.
