TOM MOORE CELEBRATION OF LIFE

During this year's alumni reunion, we will be holding a special event to honor the life and work of Tom Moore to recognize the impact he had on all camp staff and campers during his tenure as Executive Director. If you would like to help plan this event or have a story or memory of Tom you would like to share, please email Jessica Speer-Holmes at executive@camphirock.org.

ALUMNI SLIDESHOW: We are putting together a slideshow for the reunion and are hoping to have as many generations represented as possible. Please start looking for old photos to share!

SHARE YOUR STORY: We want to share and learn the history of our camp and community through alumni stories. Please share a story with us whether it is why Hi-Rock is so special to you, a funny story at camp, a special memory on the mountain, how Hi-Rock has changed since you attended, or anything you would like to share about camp. We hope to preserve these stories so campers in 75 years will know what camp looked like throughout its entire history! Please feel free to send in photos as well!

Please send any Hi-Rock alumni photos and stories to Tanya Gaudette at tanya@camphirock.org.

ALUMNI REUNION AUCTION TO BENEFIT YMCA CAMP HI-ROCK'S ANNUAL CAMPAIGN

We will be holding a live and silent auction during the Alumni Reunion and we would like to invite you to donate any goods or services that could be auctioned to help support YMCA Camp Hi-Rock's Annual Campaign. We can accept new or gently used items. You can also help us achieve this goal by reaching out to the businesses, artists, and others in your network for items we can add to the auction. Our hope is that your participation in the auction will give campers the opportunity to thrive, get inspired, and grow. Thanks for being a part of our family and for participating in any way you're able in the YMCA Camp Hi-Rock Alumni Reunion Auction!

The Annual Campaign helps make it possible for Camp Hi-Rock to offer a high-quality traditional camp experience at a subsidized rate for all children. Funds from the campaign support all youth programs and the Strong Kids Campership Program which provides financial assistance to campers in need. For more information about the Annual Campaign or our other support campaigns, please ask a Hi-Rock staff member.

You will be sent a link in your confirmation of registration email so that you can sign up for items you plan to bring with you.

Lodging Information

Please use the spaces below to provide us with information that will help us assign you to housing near your friends with whom you would like to reunite and whose "reuniting style" will match yours. We will do our best to honor housing requests and needs but cannot guarantee that we will be able to do so within the confines of the housing we have available. Please don't let concerns about housing stop you from attending. Let us know what you need in the housing request section below or contact us in the office and we can talk about ways to make you comfortable.

Lodging is camp style which can include sharing cabins with individuals outside of your family/group if that is what you would prefer. We have limited lodge housing and many housing options may include sleeping in a cabin with separate shared bathroom facilities. Assignments will be made on a first come first served basis with consideration of "reuniting style". ** **Please have all requests in by July 15, 2023.

Camp For All - Our YMCA understands everyone has different abilities to pay for camp events. We are committed to making Hi-Rock programs available to all. We have adopted a 4-tier pricing program for the reunion. Please consider the tier descriptions below and choose the tier that is most suitable for you. No proof of financial need is required for tiers 1 - 3. Your selection is confidential and will not affect your experience at camp in any way.

<p>Tier 1 - Most accurately reflects the true cost of camp events including, but not limited to, general overhead, equipment and facility maintenance, capital improvements and staffing.</p>	<p>Tier 2 - Reflects the basic cost of attending camp including food, staff, program supplies and limited maintenance expenses. This tier is subsidized by donors.</p>	<p>Tier 3 - This is a more significantly subsidized rate for those who would not otherwise be able to attend camp.</p>	<p>Tier 4 - Is offered to families with demonstrated need who qualify for financial assistance through our Campership Program. Contact tanya@camphirock.org for information about how to apply.</p>
