

Central Connecticut Coast YMCA YMCA CAMP HI-ROCK Campership Application

The Central Connecticut Coast YMCA offers financial assistance for programs to qualified members. We are community based and believe that our programs should be available to everyone and that no one should be turned away because of their inability to pay. Our Financial Assistance Program is made possible because caring people and businesses in our communities fund the program through our Annual Campaign. Financial Assistance is available on a sliding scale that is based on family size and household income.

It's easy to apply:

1. Please circle all sessions for which you are requesting assistance and complete BOTH pages of this form.
 2. Please include a completed registration form.
 3. You must include documentation of all income sources in order for this application to be processed. Please refer to the checklist on the next page. (This information will be held confidential).
